YR 12 SUMMER PROGRAMME 2026

What does the Summer Programme involve?

Our Year 12 Summer Student Programme is a great way to get an insight into what life is really like at Hassans.

During the Programme, you will work with Associates and Partners, taking on real work for real clients to get a better understanding of what being a lawyer involves. As part your placement you will:

- get hands-on experience within some of our practice areas; drafting contracts, attending meetings with clients or Partners, carrying out research, talks from Partners, or attending court proceedings
- have the opportunity to take part in a debate, where you will be able to display your research, writing and advocacy skills in front of our debate panel
- be able to network with fee earners at all levels and ask the kind of questions that will help you decide if legal practice and Hassans are the right path for you.

The social element of our Year 12 Summer Programme includes outings with trainees, Associates, and Partners, speed networking sessions as well as an informal lunch hosted at Hassans.

This unique experience will allow you plenty of opportunity to showcase your qualities and talents and to get to know us, and we will have the opportunity to assess whether you would be a good future candidate for the Firm.
